Laboratory	

I have read and I understand the Occupational Health and Safety in the Laboratory guidelines <http://science.utm.my/laboratory/safety-guideline/>. Therefore, I agree to the following:

safety  
guideline

**Personal Protective Equipment (PPE):** I will consistently wear the required PPE, including lab coats, gloves, safety goggles, and masks, as dictated by the nature of my research.

**Chemical/Biological/Radiation Safety:** I will review and understand the Safety Data Sheets (SDS) for all chemicals I handle. I will familiarize myself with the hazards associated with the materials and equipment. I will follow all safety instructions and proper protocols for their use, storage, and disposal.

**Training and Procedures:** I will complete all required safety training sessions and ensure I am familiar with all lab protocols and standard operating procedures relevant to my work.

**Emergency Preparedness:** I will know the locations and proper uses of all emergency equipment, including eyewash stations, safety showers, fire extinguishers, and first aid kits. I will also familiarize myself with emergency evacuation routes.

**Allergies and Health Conditions:** I agree to inform the course coordinator/supervisor/instructors of any known allergies, sensitivities to chemicals, historical illnesses (such as epilepsy), or pregnancy that may affect my safety in the lab.

**Reporting Incidents:** I will promptly report any accidents, spills, or unsafe conditions to my supervisor or lab manager and take appropriate action to mitigate any hazards.

**Equipment Safety:** I will operate all laboratory equipment according to the established safety guidelines and will seek assistance when unsure about any procedure.

**Laboratory Cleanliness:** I will keep my work area tidy and free of clutter, ensuring that all surfaces are clean and organized.

**Waste Management:** I will dispose of all waste materials in accordance with established protocols, ensuring minimal environmental impact and compliance with regulations.

By signing this declaration, I confirm that I have read, understood, and will abide by the lab safety policies and procedures in place at Faculty of Science, Universiti Teknologi Malaysia.
