Nilai Teras

INTEGRITI

Integrity calls for adherence to strong moral values and ethical principles. This admirable quality must be lived in the heart and soul and manifested through loyalty, personality, conduct, deeds, and actions in wisdom and trust.

SINERGI

Synergy instills team spirit, togetherness, inclusiveness, trust, mutual respect, courtesy, and cooperation. It also nurtures selflessness, arising from a sense of concern for others over self-interest, while appreciating diversity and difference.

KECEMERLANGAN

Excellence towards high achievement and delivery, resulting in glorious success in all aspects, including learning and teaching, research, innovations, commercialization and service provision.

KELESTARIAN

Sustainability is reflected in the holistic drive by the campus community in integrating and balancing the economic, social and environment fields to meet current needs without compromising existing and sustainable capabilities.

FS komited membangun, melaksana dan mengekalkan kualiti polisi FS yang merangkumi falsafah, visi, misi dan teras strategik FS yang:

Sesuai dengan tujuan dan konteks hubungan FS dan menyokong halatuju strategiknya;

Menyediakan kerangka untuk membangunkan objektif-objektif kualiti;
