

Year	Title	Author	Role
2024	Edited Book: Statistical Modeling in Medical and Economic Data	Nur Arina Bazilah Kamisan & Noraslinda Mohamed Ismail	Editor
2024	Chapter in Book: Medical and Economic Data Statistical Modeling: Page 1-11 (Edited Book: Statistical Modeling in Medical and Economic Data)	Nur Arina Bazilah Kamisan & Noraslinda Mohamed Ismail	Author
2024	Chapter in Book: The Analysis of Lung Cancer Patients: Page 15-30 (Edited Book: Statistical Modeling in Medical and Economic Data)	Noraslinda Mohamed Ismail	Author
2024	Chapter in Book: Analyse Bone Marrow Transplant Data with Cox Regression: Page 31-49 (Edited Book: Statistical Modeling in Medical and Economic Data)	Noraslinda Mohamed Ismail	Author
2024	Chapter in Book: Bayesian Logistic Regression Analysis of ADHD Children's Diagnosis: Page 51-67 (Edited Book: Statistical Modeling in Medical and Economic Data)	Haliza Abd Rahman	Author
2024	Chapter in Book: Air Pollution Index Forecasting with Sarima Model: Page 69-80 (Edited Book: Statistical Modeling in Medical and Economic Data)	Nur Arina Bazilah Kamisan	Author
2024	Chapter in Book: Forecasting Wind Speed with Autoregressive-single Exponential Smoothing: Page 81-99 (Edited Book: Statistical Modeling in Medical and Economic Data)	Nur Arina Bazilah Kamisan & Siti Mariam Norrulashikin	Author
2024	Chapter in Book: Smoking Cessation Analysis by using Logistic Regression: Page 101-115 (Edited Book: Statistical Modeling in Medical and Economic Data)	Siti Mariam Norrulashikin, Nur Arina Bazilah Kamisan & Siti Rohani Mohd Nor	Author
2024	Chapter in Book: Modeling of Inflation Rate in Malaysia using Multiple Linear Regression: Page 119-130 (Edited Book: Statistical Modeling in Medical and Economic Data)	Haliza Abd Rahman	Author
2024	Chapter in Book: Insurance Policy Duration Analysis using Non-parametric and Semi-parametric Survival Analysis: Page 131-143 (Edited Book: Statistical Modeling in Medical and Economic Data)	Zarina Mohd Khalid	Author
2024	Chapter in Book: Modelling Occupations Suitability Amongst Graduates using Logistic Regression: Page 145-161 (Edited Book: Statistical Modeling in Medical and Economic Data)	Zarina Mohd Khalid	Author
2023	Edited Book: Copula Modelling and Its Applications	Shariffah Suhaila Syed Jamaludin	Editor
2023	Chapter in Book: An Introduction to Copula Modelling: Page 1-31	Shariffah Suhaila Syed Jamaludin	Author
2023	Chapter in Book: An Introduction to Copula Modelling. Siti Mariam Norrulashikin. Pp: 33-70	Siti Mariam Norrulashikin	Author
2023	Chapter in Book: An Introduction to Copula Modelling. Fadhilah Yusof. Pp: 87-112	Fadhilah Yusof	Author
2023	Chapter in Book: An Introduction to Copula Modelling. Siti Rohani Mohd Nor. Pp: 113-134	Siti Rohani Mohd Nor	Author
2023	Chapter in Book: An Introduction to Copula Modelling. Siti Rohani Mohd Nor. Pp: 153-172	Siti Rohani Mohd Nor	Author
2023	Chapter in Book: An Introduction to Copula Modelling. Siti Mariam Norrulashikin. Pp: 173-190	Siti Mariam Norrulashikin	Author
2023	Chapter in Book: An Introduction to Copula Modelling. Norazlina Ismail. Pp: 219-236	Norazlina Ismail	Author
2023	Chapter in Book: Economic Growth Contributed by Distributive Trade Sector: Page 17-35 (Edited Book: Mathematics in Economy, Music, Agriculture and Applied Sciences)	Haliza Abd Rahman & Norazlina Ismail	Author
2023	Copula Modelling and Its Applications. Chapter in Book: Bivariate Copulas Estimation using Semiparametric Methods. Penerbit UTM Press. pp. 87-112. ISBN 978-983-52-1962-7	Rahmah Mohd Lokoman	Author
2023	Copula Modelling and Its Applications. Chapter in Book: Constructing Copula from a Bivariate Function. Penerbit UTM Press. pp. 113-134. ISBN 978-983-52-1962-7	Rahmah Mohd Lokoman	Author
2021	Water Management and Sustainability in Asia 2021. Chapter in Book: Flood Hydrograph as a Functional Data. Emerald Publishing Community, Environment and Disaster Risk Management Volume 23, pp: 45-52. 978-1-80071-114-3	Shariffah Suhaila Syed Jamaludin	Author
2021	Keseimbangan Alam Sekitar dan Pembangunan Komuniti Johor. Chapter in Book: Impak Pencemaran Udara Kepada Kesihatan Penduduk. Penerbit UTM Press. pp. 21-42. ISBN 978-983-52-1734-0.	Rahmah Mohd Lokoman	Author
2016	Analysis and Projection of Rainfall Distribution. Chapter in Book: Analysing Rainfall Pattern over Peninsular Malaysia using Principal Component and Clustering Analysis. Publisher: UTM Press 2016. ISBN: 978-983-52-1164-5	Shariffah Suhaila Syed Jamaludin	Author
2014	Chapter in Book: Proportional Hazards Model using Frequentist and Bayesian Approaches. Statistical Modelling in Industrial and Applied Mathematics. . (ISBN 978-983-52-0991-8) UTM Press	Noraslinda Mohamed Ismail, Zarina Mohd Khalid, Norhaiza Ahmad	Author

2014	Chapter in Book: Measuring Indirect Proximity Using Pseudo-Distance In Multidimensional Scaling Techniques. Statistical Modelling in Industrial and Applied Mathematics. . (ISBN 978-983-52-0991-8) UTM Press	Norhaiza Ahmad	Author
2011	Dynamic, Games and Science. Chapter in Book: Parameter Estimation in Stochastic Differential Equation Publisher: Springer-Verlag Berlin Heidelberg 2011. ISBN: 9783642147883	Haliza Abd Rahman	Author
